IT FEELS GOOD TO BE **BAD**

Established in 2004, Bay Area Derby (BAD) is the Bay Area's original women's flat track roller derby league. Based out of Oakland, BAD consists of three home teams who vie for a championship title each season; the internationally ranked Bay Area All Stars; and Team Gold, a nationally competitive B team. BAD also houses recreational and developmental programs for aspiring roller derby athletes of all levels.

Bay Area Derby is a proud member of the Women's Flat Track Derby Association (WFTDA.) We are a non-profit 501(c)(3) organization, 100% skater owned and operated, and our league runs entirely on the tireless efforts of our volunteers: skaters and non-skaters alike. Our organization strives to give back to the community that has supported it since 2004.

Our mission is to provide high level roller derby competition on a local and international stage and to promote the advancement of athleticism for women in a fun and inclusive atmosphere. BAD believes in fostering symbiotic relationships with our fellow grassroots organizations in the Bay Area.
